

## **Hot news from Sofia Airport**

A day after the Wizz Air`s announcement of a sixth A320 in its SOF base from S`16 and four new direct routes to destinations in Germany, Norway, UK and Spain, Europe`s biggest carrier, Ryanair, also announced launched flights to Sofia Airport. Daily flights will start on the route from London Stansted at the beginning of May 2016. Ryanair will join the other 20 airlines operating scheduled year-round services to SOF, with the Bulgarian capital city connected with 54 destinations in Europe and the Middle East.
